

Hamburg Avenue Update

City of Lakeville Public Works 

Construction Updates

This Week

Crews added topsoil and worked on restoration of the boulevard areas. Hamburg Avenue remains open for residents along the roadway but is closed to through traffic between 205th Street and 202nd Street.

Next Week

Next week crews will continue to prepare Phase 1 for trail construction. Yards will be restored with seed and sod, weather permitting. Phase 2 is scheduled to begin the week of July 8.

Door Hangers

The City will communicate short-term project updates such as driveway impacts, construction schedule, garbage hauling and temporary mailbox needs via door hangers. Check your front door each evening for project updates. If you have a storm door, leave it unlocked so project representatives can place the door hanger on your interior door - this will ensure you still get the door hanger during periods of windy weather.
