

## *Hamburg Avenue Update*

City of Lakeville Public Works 

---

### Construction Updates

#### **This Week**

Crews began Phase 2 with street widening south of 205th Street and trail work on Phase 1.

#### **Next Week**

Next week crews will continue with Phase 2 street widening, weather permitting.

Beginning at approximately 8 a.m. on Monday, July 22, County Road 50 (202nd Street) will be opened to vehicle and pedestrian traffic (including the pedestrian underpass) between Holyoke Avenue and Highview Avenue. This portion of the roadway, including the Holyoke Avenue roundabout will remain open throughout the remainder of the project.

At the same time, County Road 50 will be closed to all traffic east of the Highview Avenue intersection to Cedar Avenue for construction of County Road 50 improvements. This will also include the closure of Hamburg Avenue from County Road 50 south to the new roadway constructed with Phase 1. Access to the driveways within the closure area will be coordinated directly with these property owners. The County Road 50 improvements are tentatively scheduled to be completed by November 1.

#### **Door Hangers**

The City will communicate short-term project updates such as driveway impacts, construction schedule, garbage hauling and temporary mailbox needs via door hangers. Check your front door each evening for project updates. If you have a storm door, leave it unlocked so project representatives can place the door hanger on your interior door - this will ensure you still get the door hanger during periods of windy weather.
