Dear Applicant:

The City of Lakeville requires a cash escrow to cover costs incurred from staff and consultants directly related to processing your application. These costs are normally related to review of the application by City planning and engineering staff, City consultants, and possibly the City Attorney.

You will receive a statement of account every 30 days. If the deposit is depleted before the application is concluded, you may be asked to make an additional deposit. In all cases, bills must be current before final action on your application is taken by the City Council.

There will be no credit given in cases where requests are denied or determined to be premature. We make every attempt to keep costs down. It is important that completed documents, plans, and designs be furnished by you and your consultants in a timely fashion in order to accomplish this. Incomplete submittals result in time consuming report writing and increased review time.

Please contact the Planning Department if there are unanswered questions or if you are unsure how to proceed. We will endeavor to process your application as quickly as possible and assist you in every way we can.

Sincerely,

Daryl Morey
Planning Director

I have read and understand the above letter.
