ENVISION LAKEVILLE CONVERSATIONS ON RACE

Event Coordinated By:

Conversations on Race Working Group
City of Lakeville
Envision Lakeville Taskforce

Envision Lakeville Community Conversations on Race is a combination of moderated panel discussions and small group discussions for those who would like to know more about what it is like, as a person of color, to live in Lakeville. We encourage individuals who live, work, and go to school in Lakeville to join in these important dialogues, bringing your curiosity and open mind, to help create a welcoming community for all.
